

OPERATION NINEVEH
THE LIGHT HORSEMEN AND WOMEN OF THIS GENERATION
PROPHETIC WORD OF THE LORD

God's promise to our Australian forefathers given to us in this generation

Deuteronomy 19:8-9 Now if the Lord your God enlarges your territory, as He swore to your fathers, and gives you the land which He promised to give to give to your fathers and if you keep all the commandments and do them which I commanded you today, to love the Lord your God and to walk His ways, then you shall add three more cities for yourself besides these three..

Friday July 27th

My horse is waiting O warriors of the south land, I am calling my riders forth says the Lord. I have called and called and my prophets have shouted and shouted for you to come, Come Quickly! Without Delay! And mount your horses and ride with me. For the battle has come it is here, it is within your nations, governments, cities and walls.

You have been breached and your blessings and inheritance pour out like flood gate opened upon your land. Repair the breach and call to justice those who have wounded you and I shall deliver you. Confront and look in their face, and march like you believe in me.

Go out with faith and do not hide away and I shall deliver your land, families and lives and turn this mighty south land around says the Lord. Yes you are the horsemen and horsewomen I have chosen in this generation to ride with me says the Lord.

Believe me for I have spoken this very night, do not be silent, and do not live in fear but live in bold holy faith and courage. Come, come out and ride with me says the Lord, for I have promised your forefathers this nation will ride and be yet victorious again.

RISE UP AUSTRALIA

I have made and chosen you for such a day as now says the Lord

Christopher Cole at the Church without Walls Men's breakfast

(A prophetic word of encouragement and wisdom to the men and fathers of our nation from the Lord)

Have I not chosen you says the Lord, have I not made you to be like me? I am confident in you because I know who you are and how I made you in your mother's womb. I have filled you with my character, my heart and my wisdom says the Lord. So rise up my people, my men of power, character and might and be confident like me.

Then you will see through eyes of faith and not fear, you will stand when I say stand. You will confront your enemies and drive them out. Truly who has made me run away says the Lord? Who has intimidated me? Who has invaded heaven? Or pushed me away when my warriors rise up with me.

Now I tell you this says the Lord rise up Australia for the day of battle has come. For you are the horsemen I have chosen to not only run this race but overcome those who try and overcome you. Put on your armour and mount your horse for my battle against your great south land has come.

It is at your door and before your heart. So focus on me and hear my voice because I have chosen you to follow me into victory says the Lord your God. So rise up now men of valor and men of faith.

GODS WORD OF COMMANDMENT

"Get strong! Get wise! Come together and take the city and build my kingdom in this nation. After you have done that take my world back for me. For I am with you to do such things you could never imagine nor would ever believe says the Lord. Jer1;16;19

"We can only win the war of hate by fighting with love"
